WE'VE MORE THAN YOU THOUGHT...

Our philosophy at Lynas is simple: whatever our customer needs, wherever they are, it is our job to deliver quality and value each and every time.

Investing for the future is at the core of who we are and new stores in our Food Outlet division along with heavy investment in our Warehouse and Delivery infrastructure have been some of this year's business highlights.

We continue to grow in the foodservice industry across Northern Ireland, Ireland and Scotland and our focus is to make it easier for you to run your business. Our Online Ordering system allows you to place, review and add to orders wherever you are plus if you haven't tried it, I encourage you to join our customers who daily use and enjoy the benefits of this platform.

Day in and day out, it's the dedicated team of pickers, packers and delivery staff who ensure you get the right products to create great food and experiences for your customers.

This Lynas family want to be your number one supplier, with our new range of fresh fruit and vegetables to our very own craft butchery, Causeway Prime. From new ingredients to innovative products and solutions, we've more than you thought and we hope that The Collection inspires you to create even greater food this year.

Thank you for the trust you put in us daily. We recognise this responsibility and we are constantly striving to be the best. I wish you every success for the year ahead and encourage you that regardless of challenges that may be faced, that your business will grow, succeed and serve fantastic food. We look forward to our future together and delivering you more.

God Bless,
Andrew Lynas

THE BUTCHER'S GUIDE
TO BEEF CUTS

The ultimate guide to our
bespoke cuts of beef.

WHY CAUSEWAY PRIME IS GOOD
FOR YOUR BUSINESS?

Because we ensure that every
order meets your expectations.

CAUSEWAY PRIME:
OUR VERY OWN CRAFT BUTCHERY

The culture and the heritage of rearing stock on the farmlands
of Ireland allows us to produce the finest cuts of meat within
our very own craft butchery.

Our farmers use traditional methods – to grow beef, pork,
lamb and chicken products full of flavour and goodness;
central to the ethos of Causeway Prime.

OUR STORY

Causeway Prime is steeped in tradition and family history. For
over 70 years, the Lynas family has infused passion with the belief
that the power of good food can bring people together. From this
dedication of providing quality ingredients throughout the island
of Ireland the vision of creating a craft butchery came to reality and
so Causeway Prime was born.

Causeway Prime has evolved into a bespoke craft butchery that
values provenance, hard work and vision. Throughout recent years,
our family of craft butchers has grown and so has our unique
butchery premises. We provide some of the best meat in Ireland
and Scotland with unprecedented quality by drawing on culinary
insights and inspirations to bring the finest cuts of meat to your
kitchen and menu. We are dedicated to the craft of butchery.

OUR PEOPLE

Our people have a passion for butchery and are continually
mastering their craft. We combine experience and expertise to
bring you the best and that is what truly sets Causeway Prime apart
from the crowd. With many years of experience, our butchers
carefully select, cut and prepare your product with the skill and
knowledge you expect.

Our Craft Butchery Team brings the flare from the butcher's shop
into the foodservice environment, ensuring that every order,
whether large or small, meets your expectations.

OUR FARMERS

To provide the best, we have to work with best. Before a cleaver is
raised, Causeway Prime work closely with Ireland's best producers
developing a true understanding of the methods involved in
traditional farming. This also ensures each product has full
traceability and that quality is infused in every bespoke craft cut
resulting in the best tasting and considerably tender produce for
you and your customer to enjoy.

All our beef is carefully sourced from
Farm Quality Assured producers.”

SHOW YOU CARE, CHEF!

BECAUSE GREAT TASTE MATTERS - INSIDE AND OUT

We are now in the process of changing our plastic packaging to new, **environmentally friendly** and functional Taste Packs produced with raw material from renewable sources and **FSC-certified**. This is a switch towards a more sustainable world that we're very proud to be a part of.

We've given the inside of our products a lift too, with a more refined mix of ingredients, less preservatives and less salt and sugar whenever possible.

Also, each Taste Pack is colour coded to make it easier for you to find what you're looking for on the shelves. We're sure you'll appreciate the grip-friendly size too and the window on the side that gives you a better overview of the content.

Want to read more about the change and why we're making it? Head over to our website!

BACON & SAUSAGES

Dew Valley was the first company in Europe to introduce the benefits of microwave technology to the commercial production of cooked bacon. We are European leaders in microwave technology, enabling us to supply a wide range of exceptionally consistent products. We use only the finest raw materials from Ireland, the U.K., and selected EU sources.

Our ready-cooked streaky rashers already enjoy a significant share of the U.K. prepared bacon sandwich and burger market and we have diversified into value added products to satisfy the requirements of our customers.

“It tastes as good as it looks!”

Almost 60 years ago we opened our family bakery in Strabane producing bread, confectionery and savoury pastry, fresh daily, using quality ingredients seasonally sourced from local growers and producers.

Our food carries our name. So we take great pride and care in ensuring that every product lives up to the same high standards we set when it started all those years ago. We won't make it unless it tastes as good as it looks!

Authentic Italian Pizza Bases

Our premium quality pizza bases are made in Bologna, Italy, using '00' grade flour, 80% sour dough, yeast, salt and a little olive oil. All bases are hand rolled, rested and proven over a two day period.

Once topped with a special Italian recipe sauce made with the finest cooked tomatoes, olive oil and oregano they are par-baked in a wood burning furnace to trap and retain all the natural authentic flavours.

They are then blast frozen and have a twelve month shelf life.

In keeping with traditional Italian standards, there are no preservatives, additives, colours or GM products in our bases.
